## **DETAILED ACTION**

### ***Response to Amendment***

1. The amendment filed on April 18, 2008 has been entered.

### ***Claim Rejections - 35 USC § 103***

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Claims 1 and 4-7 are again rejected under 35 U.S.C. 103(a) as being unpatentable over the prior art as applied in paragraphs 6 and 7 on pages 3 and 4 of the first Office action (dated January 18, 2008).

### ***Response to Arguments***

4. Applicants' arguments filed on April 18, 2008 have been fully considered but they are not persuasive. Contrary to applicants' comments, Marks (U.S. Patent No. 3,503,704) teaches the use of sodium hydroxide (NaOH) which of course contains the common hydroxide (OH) radical. Furthermore, the last two lines of claim 1 are in the form of process step limitations and therefore not entitled to patentable weight because claim 1 is drawn to a charged fine particulate water. In any case, the examiner has suggested changes to claim 1 below to place it into condition for allowance.

***Allowable Subject Matter***

5. Claim 8 is allowed.
6. Claims 1, and 4-7 would be allowable if the word "Charged" at the beginning of claim 1 was changed to --Rayleigh fission generated charged--.

***Conclusion***

7. **THIS ACTION IS MADE FINAL.** Applicants are reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
